Detailed Itinerary:

Day 1: Nairobi – Lake Baringo

Depart Nairobi for Lake Bogoria game reserve. Lunch enroute. This is a true naturalists lake with flamingo in their thousands. You will be able to explore on foot but caution must be taken while walking near the hot springs. Later you will proceed to Lake Baringo where you will spend the night. Dinner and overnight at your camp/lodge

Day 2: Lake Baringo

You will spend the day exploring Lake Baringo; you will also have the opportunity to explore the lake by boat to the Njemp Island. You will continue through lunch, dinner and overnight at your lodge.

Baringo is at the threshold of Northern Kenya, and its freshwaters are an oasis in the arid plains. This is the traditional home of the Njemps tribe, a unique people who are the only pastoral, cattle herding, tribe who also fish

Among other pastoral tribes such as the Maasai, eating fish is a taboo. The 129 sq km lake is well stocked with fish, and attracts many Pelicans, Cormorants and Fish Eagles. The Lake is also well populated with Crocodile. The lake itself is truly beautiful, surrounded by volcanic ranges that stretch as far as the eye can see.

Day 3: Lake Nakuru National Park

After breakfast you will proceed to lake Nakurui. Lunch en route followed by an afternoon game drive, dinner and overnight at your lodge or camp.

Lake Nakuru's claim to fame is anchored on its flamingo's and the over 400 species of birds found here. The lake itself is a soda lake on the floor of the rift valley. The sight of the at times millions of flamingos is quite spectacular. From a distance the lake appears ringed in pink. The lake has also earned a reputation as an important haven for endangered species- particularly the Rothschild giraffe and the black and white rhino. Lions, waterbuck, buffalo and baboons are all residents here.

Day 4: Maasai Mara National Park

After breakfast, you will depart to Maasai Mara game reserve. You will cross the valley floor to Narok entering Hemingway's country "Serengeti plains". By late afternoon you will have arrived at the campsite and have time for a game drive before dinner and overnight at your camp/lodge at Maasai Mara.

Day 5: Maasai Mara National Park

You will spend the full day exploring the great Masai Mara in search of the big 5. Morning and afternoon game drives are offered. Optional hot air balloon safari can be arranged for a minimal cost.

The Mara offers wildlife in such variety and abundance that it is difficult to believe: over 450 species of animals have been recorded here. You will easily see lions, rhinos, hippos, crocodiles, giraffe, wildebeests, zebras, buffalo, warthogs, hyenas, jackals, wild dogs, buffalo, leopard, many kinds of antelopes and elephant. It is in the Mara that perhaps the most spectacular event of the natural world takes place. This is the annual migration of millions of wildebeest and zebra from the Serengeti (Tanzania) in search of water and pasture. Following on their heels are the predators of the savanna- lion, cheetah, wild dog, jackal, hyena and vultures.

Optional activities include visit to local Maasai village for a Maasai culture tour and hot air balloon ride.

Day 6: Departure

This will be your final day on the safari where you will take a pre-breakfast game drive through the park and return in time for breakfast.

Will then continue to drive back to Nairobi for your onward journey.
