Detailed Itinerary:

Day 1: Tarangire National Park

Depart from Arusha to Tarangire for lunch, Afternoon game drive. Dinner and overnight at Tarangire Sopa Lodge OR Tarangire Safari Lodge.

Herds of up to 300 elephants scratch the dry river bed for underground streams, while migratory wildebeest, zebra, buffalo, impala, gazelle, hartebeest and eland crowd the shrinking lagoons. It's the greatest concentration of wildlife outside the Serengeti ecosystem - a smorgasbord for predators – and the one place in Tanzania where dry-country antelope such as the stately fringe-eared oryx and peculiar long-necked gerenuk are regularly observed.

On drier ground you find the Kori bustard, the heaviest flying bird; the stocking-thighed ostrich, the world's largest bird; and small parties of ground hornbills blustering like turkeys.

More ardent bird-lovers might keep an eye open for screeching flocks of the dazzlingly colourful yellow-collared lovebird, and the somewhat drabber rufous-tailed weaver and ashy starling – all endemic to the dry savannah of north-central Tanzania.

Day 2: Early morning drive

After breakfast, continue with a brief game drive in the park then drive back to Arusha for lunch. After lunch, you will be transferred to your hotel or the airport for your final departure.
